OBJECTIVE

Self-driven, enthusiastic, and goal-oriented graduate with an analytical mind, problem-solving, and strong logical reasoning skills. Currently a Software Engineer Apprentice Trainee at Cisco Systems India Private Limited.

EDUCATION:

Adikavi Nannaya University | B.Tech in Computer Science and Engineering | 8.26 CGPA | Aug 2019 - May 2023

Narayana Junior College, Visakhapatnam | Intermediate - MPC | 9.88 CGPA | Jun 2017 - May 2019

St Mary's EM High School, Kothakota | SSC | 10.0 CGPA | Jun 2016 - Apr 2017

TECHNICAL SKILLS

Languages & Technologies: Python | Java | C | Linux OS | SQL | MySQL | HTML | CSS | Bootstrap | Selenium

Tools: GitHub | Jira | Postman | REST APIs | Grafana | Excel | Kibana

Networking: Switching | Routing

WORK EXPERIENCE

Software Engineer Apprentice Trainee | Cisco Systems India Private Limited

Sep 2023 – Present

- Developed and maintained automated test scripts using Selenium for functional and regression testing.
- Utilized Postman for API testing, ensuring the reliability and performance of REST APIs.
- Collaborated with the development team to ensure successful project execution and feature integration.
- Maintained and enhanced test automation frameworks, ensuring scalability and reusability.
- Utilized GitHub for version control and Jira for issue tracking and project management.
- Monitored application performance using Grafana and employed Excel for data analysis and reporting.

Web Developer Intern | Harmony Infotech Solution

Jun 2022 – Jul 2022

- Developed a Vehicle Management System web application using PHP and MySQL.
- Gained hands-on experience in web development and best practices.

Data Science Intern | Oasis Infobyte

May 2023 – Jun 2023

- Developed and trained a machine learning model for iris flower classification using Python and Scikit-learn.
- Proficient in data preprocessing, feature engineering, and model evaluation.

PROJECTS

DDoS Attack Prediction Using Machine Learning

- Developed a predictive model using the Decision Tree algorithm to detect DDoS attacks on computer networks.

Vehicle Management System

- Developed a web application to manage vehicle information using PHP and MySQL.

ACHIEVEMENTS

- Nominated as MVP of the quarter by my team at Cisco Systems India Private Limited.
- Pratibha Award for outstanding secondary school performance, Andhra Pradesh State Government, 2017.

STRENGTHS

- Creative, Time Management, Leadership, Problem Solving, Interpersonal Skills, Analytical Thinking

HOBBIES

- Sports, Listening to Music
